Evergreen Weekly Letter

Evergreen, June 3.- The May drought, which had begun to assume serious proportions, has been broken. This is the third day of June and there has been more or less rain each of these days. While there was a rainfall of perhaps two inches here at Evergreen Sunday, we were informed there was only a light sprinkle at Red House, only a few miles west of here.

And such a tobacco planing as there was Monday! With the average greatly reduced, the crop should have been largely set in the one day.

There was more rain Monday night, and it has been raining steadily up to ten o'clock this morning. The crops are looking better.

Rev. J. W. Marsh filled his regular appointment at the local Methodist church Sunday morning. While there was about the usual congregation present, every pew should have been filled to hear the splendid sermon.

At the Methodist church, Bibles were presented to Newton Jennings and Edward Harvey, at home for the week-end from Camp Meade, and at the Baptist church a Bible was presented by the Sunday School to David Paulett, at home from a trip in South Carolina.

We are very glad to hear that Archie LeGrand, who has been critically ill at his home near here, is much improved, and seems to be well on the road to recovery.

Arthur Garrett, with his daughter and grandchild, spent some time in the home of his brother, W. C. Garrett, last week. Believed to be the Arthur Garrett who has been married to six different women, and who is at the present time single again.

Mr. J. T. Trent is spending this week with Mrs. Ada Farrar.

We are sorry to hear of the passing of Joe Wilson at his ancestral home in Charlotte county. He will be buried at the family cemetery this afternoon.

Mr. and Mrs. Berkey Brown, Mr. and Mrs. J. W. Thompson and Mrs. Alex Goble spent the week-end in Washington, D. C., in the home of Mr. and Mrs. H. G. Lucado.

Mr. D. L. Smith is on the sick list.

Mr. and Mrs. C. H. Goble, Mr. and Mrs. John Carter and Mrs. Alex Goble called on Mrs. David Smith Thursday evening.

England lost large numbers of greatly needed naval craft in action around Crete.
